me: hey
me: would a place on Union and Grand be considered West Bushwick?
me: I really want to review a place
me: at any rate, it's a place that Bushwickers encounter
BushwickBK.com: no but look
me: by virtue of its location
BushwickBK.com: if you promise to review several other Grand St places
BushwickBK.com: we can do it
me: sure
BushwickBK.com: then yeah why not
me: the place is Roccio's Bakery
me: I just got burned there for like the fifth time
me: by way of a crappy milkshake
BushwickBK.com: oh?
me: they fucked up a milkshake
BushwickBK.com: how do you fuck up a milkshake
me: and a cuban sandwich on another occasion
me: I know!
me: WTF
me: and the donuts suck
me: anyway, I'll do it tomorrow
BushwickBK.com: cool
